

Vimal M

Junior Web Developer and Computer Science graduate with hands-on experience in PHP CodeIgniter, MySQL, HTML, CSS, JavaScript, and AWS Cloud fundamentals. Experienced in developing and maintaining web applications, database integration, debugging, and responsive web design. Seeking an entry-level web development role where I can contribute technical skills and continue to grow professionally.

Work Experience

Full Stack Developer | TriReki Software Solutions, Devikulam

Sep 2025 - Mar 2026

- Developed and maintained dynamic web applications using PHP, CodeIgniter 3, MySQL, HTML, CSS, JavaScript, Bootstrap, and jQuery, delivering responsive and user-friendly functionality.
- Improved application stability and code quality by testing, debugging, and optimizing frontend and backend components within the MVC Architecture of CodeIgniter.
- Enhanced data handling efficiency and user experience by implementing AJAX, JSON processing, and MySQL database integration.
- Supported seamless communication between application components by integrating REST APIs and third-party services.
- Delivered responsive, cross-device web interfaces by applying modern frontend development practices and responsive design techniques.

Web Development Intern | TriReki Software Solutions

- Accomplished the development of dynamic web pages by building frontend and backend functionality using PHP, CodeIgniter 3, MySQL, HTML, CSS, and JavaScript.
- Accomplished efficient database-driven operations by creating and maintaining MySQL-integrated web modules following MVC Architecture principles.
- Accomplished improved user interaction by implementing frontend enhancements with Bootstrap, jQuery, AJAX, and JSON.

Educational Background

Bachelor of Computer Science

- Mahatma Gandhi University
June 2021 - Mar 2024

Higher Secondary

- SNDP HSS Adimali
June 2019 - Mar 2021

SSLC

- Government High School Devikulam
June 2018 - Mar 2019

Contact

Devikulam, Idukki District,

Skills

Technical Skills

- HTML, CSS, JavaScript.
- PHP (CodeIgniter)
- MySQL
- Python
- AWS Cloud
- Web Development
- Database Management
- Responsive Web Design
- Front-End Development
- Back-End Development

Soft Skills

- Problem Solving
- Critical Thinking
- Communication
- Time Management,
- Team Collaboration
- Creativity
- Multitasking

Others

- XAMPP
- VS Code
- REST APIs
- AJAX
- JSON

Languages

- English
- Malayalam
- Tamil

Certification

- AWS Certified Cloud Practitioner
- Completed a 4-month AWS training program at Don Bosco Tech Society, Bangalore
